checks_reconciliation_displayed

Table of Contents

Click to expand the section and view the checks associated with the selected group code.

Click **Checks** to collapse the section.

Select the **Recon** check box for each check transaction to be reconciled.

Click **Select All** to select all of the transactions in the section or click **Unselect** all to clear all of the selected transactions.

The following check information is displayed:
Freq
Micr
Check Nbr
Amount
Date
Payee Nbr
Payee Name

By default, the results are sorted in ascending order by check number. Click a column heading to sort the data in ascending or descending order.

▲ - indicates that the column is sorted in ascending order
▼ - indicates that the column is sorted in descending order
