ASCENDER/TxEIS Student Release Notes

ASCENDER/TxEIS Student Release Notes

Update 3.4.0xxx

TxEIS Graduation Plan

Graduation Plan > Maintenance > Student > Individual Maintenance > PGP

❑ Corrected the program to allow you to save PGP data for a student who did not have existing graduation plan data.

TxEIS Registration

Registration > Maintenance > Student Enrollment > W/R Enroll

❑ Prevented the fields below the grid from disappearing when withdrawing and then re-enrolling a student.

Registration > Maintenance > Prior Year Leaver Tracking

❑ Removed the following fields for the 2019-2020 school year and later:

- **Graduation Program** (all fields)
- **Graduation Performance Acknowledgments** (all fields)

Registration > Reports > Registration Reports > Student > SRG2400 - Students Without a Parent Portal Account Report

❑ Added the report name to the Registration Reports menu.

ASCENDER ParentPortal

Update 4.0.0.10x

My Account

❑ Corrected the issue that caused the **Enroll a New Student** button to be disabled for new accounts.

❑ Corrected the program to disable the **Enroll a New Student** button when the district has set **Enable Parent Access** to **No** on ***ASCENDER ParentPortal Admin > Form Group Management > Form Settings***.

ASCENDER ParentPortal Admin > Form Management > Custom Forms > Create Custom Form

❑ Increased the characters allowed in the **Paragraph** option from 200 to 1000.
