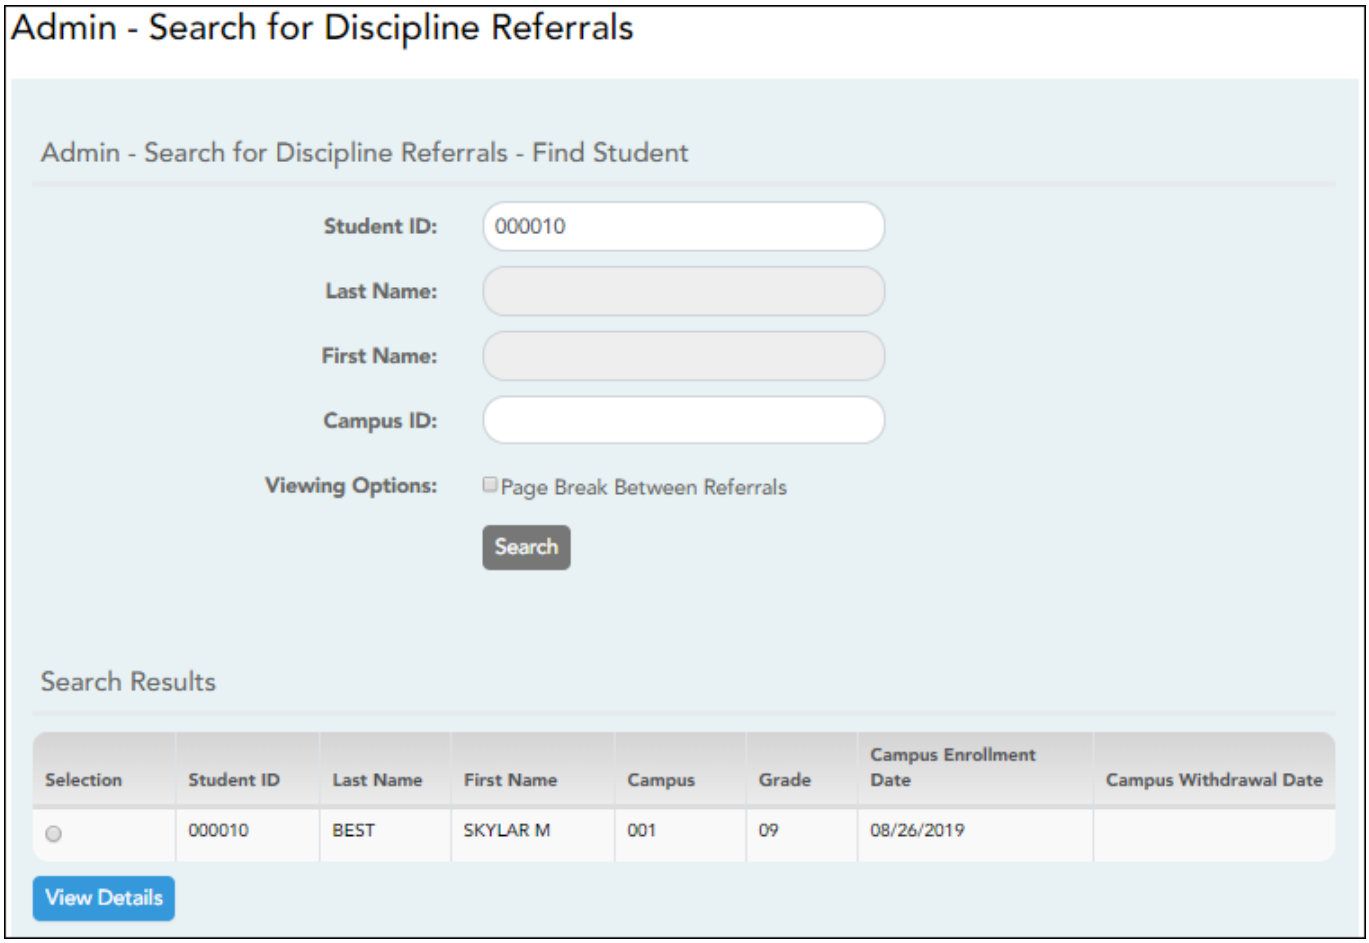
Search for Discipline Referrals

TeacherPortal Admin > Discipline Referrals

This page is only available to users who log on to TeacherPortal with a district- or campus-level security administrator user ID.

This page is the first step in viewing the Admin - Discipline Referrals page. You must select a specific student at a specific campus before viewing the Admin - Discipline Referrals page.

This page allows you to retrieve a student by campus, student ID, or name, and view the discipline records entered for the student by a teacher in TeacherPortal.



View data:

❑ Specify search criteria:

NOTE: You can search either by student ID or name; you cannot use both options at the same time.

Student ID	Begin typing the student's ID. As you begin typing the ID, a drop-down list displays students whose student ID matches the numbers you have typed. From the drop-down list, select a student.
Last/First Name	
Campus ID	
Viewing Options	Select **Page Break Between Referrals** if you want each incident to print on a separate page.

❑ Click **Search**.

The students who match the criteria entered are listed, including student ID, name, campus, grade level, and entry/withdrawal dates for each campus. Students are sorted by last name, first name, and enrollment date.

Students are retrieved whether or not they have discipline records.

❑ Select the student record you want to view, and click **View Details**.

The Admin Discipline Referrals page opens.
