District and Campus: Set Up ParentPortal

Districts and campuses should follow these steps to set up and maintain ParentPortal settings.

Prerequisites:

- Be sure you have considered and completed all steps in the [Overview & Before You Begin](#) list.
- You must have district-level administrative access the District Settings page.
- You must have district- or campus-level administrative access the Campus Settings page.

1. [Log on to ParentPortal as an administrator.](#)

Administrator access to ParentPortal is accomplished by a separate Administrator Login page containing **adminLogin?distid=xxxxxx** in the application URL, where xxxxxx is the county-district ID.

From the Administrator Login page, type your administrative user name and password and click **Login**.

The Administrator website opens with User Settings as the default page.

ASCENDER ParentPortal Admin > Admin Menu > District Settings

NOTE: Selections are automatically saved for most fields. Clicking **Save** is only required where indicated.

District Settings

Access Control

Site Access

ParentPortal is: **ACTIVE**

Set the date when ParentPortal will become active. Until this date, parents cannot log on.

ParentPortal is active as of: 12/02/2019 Change

Allow Campus Admins to View All District Students: Yes

Access Control

Site Access:

- ☐ **Enable or disable access to ASCENDER ParentPortal.**

ParentPortal is	Active is displayed if the application is currently available to parents. Inactive is displayed if the application is not currently available to parents. NOTE: Parents will receive a message that the portal is Inactive when it has been disabled by the district.
ParentPortal is active as of	The date for the active/inactive setting is displayed. If Active, the date indicates when ParentPortal became active. If Inactive, the date indicates when ParentPortal will become active. To change the date, click Change. In the ASCENDER ParentPortal will be active as of field, type the new date. Click Save. The new date is displayed, and the system is automatically activated or inactivated accordingly on that date.

Allow Campus Admins to View All District Students

Indicate if campus-level administrative users can see all students in the district.

No - Campus-level administrators are blocked from accessing students who are not at a campus they have access to, and from impersonating a user to access those students. For example, if a parent has two students - one that the campus administrator should be able to see, and one that he should not be able to see, the campus administrator can impersonate that parent, but only students at his campus are displayed.

Yes - Campus-level administrators can access students who are not at a campus they have access to, and can impersonate a user to access those students.

Display Access:

- ☐ **Determine what data is displayed to ParentPortal users.**

Display Discipline Records

Indicate if you want discipline information (with or without comments) displayed in ParentPortal.

No - The Discipline page is not available for parents in ParentPortal.

Yes, without comments - The Discipline page is available for parents in ParentPortal, but any comments associated with an incident are not displayed.

Yes, with comments - The Discipline page is available for parents in ParentPortal, and any comments associated with an incident are displayed below the discipline record.

[Discipline Flow Chart](#)

Display Schedules	Indicate if you want to display student schedule information in ParentPortal. No - Parents will be able to access ParentPortal and use some parts (such as online registration), but will not be able to view data that would require a student's schedule to be displayed (Summary, Attendance, Grades, and Assignments). When set to No, the message "Student schedule is not available at this time" is displayed at the top of the Summary, Attendance, Grades, Assignments, and My Account pages. Yes - Student schedule data is displayed throughout ParentPortal.
Display Immunization Records	Indicate if you want to display immunization data for parents in ParentPortal.
Display Immunization Resource Path	If Yes: Path: Type the address for the website providing information about immunization requirements, such as the Texas Department of State Health Services website. Click Save. NOTE: The Texas Education Code requires that a link to the Texas Department of State Health Services website be provided to parents as part of the Immunization Awareness program. This field provides a way to adhere to this requirement; however, you are not required to use this field.

Site Resources

Security Questions:

☐ Enter security questions that parent users can use to recover a user name or reset a password.

 Site Resources

Security Questions

Enter questions that parents can use to reset a password. Provide an English and Spanish version of each question.

Question : English - Add

Action	Language	Question
	English	What was the name of your first pet?
	English	What was your high school mascot?
	English	What was your phone number growing up?
	English	Who is your favorite musician or band?

Showing 1 - 4 of 4 entries Previous 1 Next

Question Select the language of the question.
Type a question in the corresponding language that the user will answer.

☐ Click **Add**.

- New questions are displayed in the grid at the top of the list.
- Once the page is refreshed, all questions are listed in alphabetical order.

 - Click to remove a question from the list.

NOTE: You cannot remove a question if it has a parent's answer associated with it.

District Links:

☐ **Provide links to helpful websites. These links will be displayed on the Links page.**

District Links

Enter websites that will be displayed in ParentPortal.

Web Address:
 ✓

Label:
 ✓

Description:

Add

Action	Label	URL	Description
✕ ✎	ESC-20	https://www.esc20.net	

Showing 1 - 1 of 1 entries

Previous 1 Next

Web Address	Type the URL for the website.
Label	Type the text as you want the link to appear. The text can be the URL or specific words such as the website name.
Description	(Optional) Type an additional description of the website, such as why it is being provided, or what information it provides.

☐ Click **Add**.

☐ On the right:

- Click to stop displaying the link in ParentPortal.

You are prompted to confirm that you want to delete the link. Click **Yes**.
The link is removed from the list.

- Click to modify the properties of the link.

A pop-up window opens allowing you to modify the properties. Click **Save Changes**.

Color Customization:

☐ **Change the ASCENDER ParentPortal district-wide color scheme.**

Color Customization

✓ Enable Color Customization: **On**

Background Color:

#414042

Text Color:

#eaeaea

Accent Color:

#db813b

Check Accessibility Save Theme

Enable Color Customization	Select On to enable modifying the ParentPortal color scheme. Additional fields are displayed allowing you to select web accessible colors.
-----------------------------------	---

☐ For each color choice:

- ☐ Click the drop-down arrow to open the color palette.
- ☐ Click a color in the palette to select it, or enter the **Hex** code or **RGB** code.
- ☐ Click **Apply**.

Background Color	Changes the background of the left-side navigation bar.
Text Color	Changes the color of the text in the left-side navigation bar.
Accent Color	Changes the color of the main menu headings, drop-down arrows, vertical bars, and a few other navigation elements.

☐ When all colors have been selected, click **Check Accessibility** to confirm that your color selections meet ADA requirements. If not, make different selections.

☐ Click **Save Theme**.

You cannot save a theme until you have checked its accessibility.

NOTE: To reset to the original colors, set **Enable Color Customization** to **No**.

3. [Update campus-level settings for ParentPortal.](#)

ASCENDER ParentPortal Admin > Admin Settings > Campus Settings

This page allows you to maintain campus-level settings for ParentPortal.

Campus Settings

Display Settings

Campus Message Height:

☐ Short (100 pixels)

☐ Medium (150 pixels)

☐ Tall (300 pixels)

☐ Extra-tall (400 pixels)

NOTES:

- Selections are automatically saved. There is no **Save** button.
- If you are logged in as a multi-campus user, most of the following fields are not available.

Settings

Campus Selection:

Campus	Select the campus you want to update settings for.
---------------	--

Display Settings:

☐ **Indicate how the Campus Notes should be displayed on the Summary Page in ParentPortal.**

The text for the campus notes are entered on **Registration > Maintenance > Parent Portal > Campus**.

Any notes entered are displayed on the Summary page, which is the first page displayed when a user logs on to ParentPortal.

Campus Message Height	Short - Height is 100 pixels. Medium - Height is 150 pixels. Tall - Height is 300 pixels. Extra-tall - Height is 400 pixels. For all options, the width will adjust according to the user's screen size.
------------------------------	---

4. [Update alert and other settings for ParentPortal.](#)

ASCENDER ParentPortal Admin > Admin Settings > Alert Settings

This page allows you to set a district-level schedule for the parent alert messages, as well as several district-level security settings.

Alerts refers to the update that occurs in the system.

NOTE: Please contact your System Administrator if your district wants Alerts turned off.

Notification refers to the text or email message that is set to the parent as notification that there is an alert. Notifications do not have to go out at the same time the alert occurs.

SMS Settings

SMS Default URL: ?

ParentPortal Default URL

Type the full URL that parents in the district will use to access ASCENDER ParentPortal. This URL will be used during the email verification process.

☐ Under **Email Settings:**

User Authenticated Email Server

Indicate if the client's email notification email server requires a login and password. If **Yes**, enter the user name and password in the **Mail Server Login** and **Mail Server Password** fields.

Mail Server Host	Indicate the address of the outgoing mail server.
Mail Server Port	Set the port that the alert service will be running on.
Mail Server From	Type the email address that will be displayed in the From field when a message is sent by the ParentPortal mail server.
Maximum Number of Emails	Type the maximum number of email messages that go out in a notification run.
Mail Server Login	If using an authenticated email server, type the user name.
Mail Server Password	If using an authenticated email server, type the password.
Use Encryption	Select to use encryption.

☐ Under **SMS Settings:**

SMS Default URL	Type the path used for text messages.
------------------------	---------------------------------------

☐ Click **Save**.

Email Authentication Verification

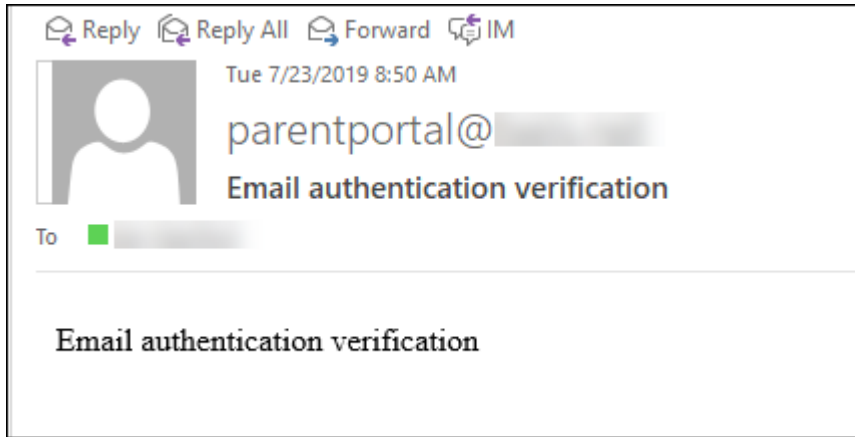

The image shows a screenshot of a web form titled "Email Authentication Verification". It has a light blue background. Below the title, there is a label "Email Address:" followed by a white text input field. Below the input field is a blue button with the word "Send" in white text.

Email Address	Type any email address you wish to test. This allows you to confirm that SMTP and other settings are set up correctly.
----------------------	--

☐ Click **Send**.

If the email address is set up correctly, a message will be delivered to that email address indicating that it was verified and functioning properly.

5. [View ParentPortal usage data.](#)

ASCENDER ParentPortal Admin > Admin Menu > Site Statistics

This page provides information about form usage across the district or campus, or for a specific parent/guardian, is displayed. Archived forms are not included in these counts.

Site Statistics

- Click each graph to view additional details.
- Click on sections of a graph or the adjacent legend to download a csv file containing details for a particular section.

The following information is displayed:

Total Users	Provides a count of all ParentPortal users in the district.
--------------------	---

Active Users	Provides data about the number of users who have logged on since a particular date.
Student Accounts	Provides data about students associated with a ParentPortal account (includes student accounts).
Student Enrollment in Portal	Provides data about returning students who have registered online using ParentPortal (whether they have started and/or completed the process).
New Student Enrollment	Provides data about students who have enrolled online using ParentPortal (whether they have started and/or completed the process). NOTE: In the Status column on the downloaded spreadsheet: Code 1 = Started (pink) Code 2 = Submitted (green) Code 3 = Enrolled (purple)

Administrative Users

Administrative Users	Provides counts of district-wide and campus-wide administrative users.
-----------------------------	--

6. [Set an optional alert message.](#)

An optional alert message can be displayed on the Login page. This message is displayed in a pop-up window, and the user must click **OK** to close the window.

The message file (alert.txt) is located on the application server. Contact your technical administrator to enable, disable, or update the message.
