Parent Guide: New Student Enrollment, Online Registration, & Data Updates

I. Create Account & Enroll a New Student

Follow these steps to enroll a student in the district using the New Student Enrollment wizard.

1. [Create an ASCENDER ParentPortal account and log on.](#)

I. Create an ASCENDER ParentPortal account and log on.

ASCENDER ParentPortal > Login

Before enrolling a student, create a user account in ASCENDER ParentPortal in order to obtain a user name and password to access the system. When you access ParentPortal, the Login page is displayed.

- Click **Create Account**.

The Create Account - User Information page opens.

☐ Click **Next**.

Security Question

The screenshot shows a web interface for creating a new student enrollment. At the top, there are navigation tabs: 'Login', 'Create Account', 'New Student Enrollment', and 'TEXAS ISDDocuments'. Below the tabs is a progress bar with three steps: 'User Information', 'Security Question', and 'Complete'. The 'Security Question' step is currently active, indicated by an orange dot. Below the progress bar, there is a message: 'This information will assist you in resetting a lost password.' Underneath, there is a 'Select Question:' dropdown menu with the selected option 'What was the name of your first pet?'. Below that is an 'Answer:' text input field with a placeholder 'Answer' and a toggle for visibility. At the bottom right, there are three buttons: 'Back', 'Next', and 'Cancel'.

Select Question	Select a question. If you need to reset your password, you will be asked this question.
Answer	Type the answer to the question. You will need to answer this question correctly to recover your password. Be sure to select a question for which you will remember the answer easily. IMPORTANT: The answer is case-sensitive (always write it exactly as it appears here, including upper and lower case letters).

☐ Click **Next**.

The screenshot shows the 'Complete' step of the account creation process. The progress bar at the top now has the 'Complete' step highlighted with an orange dot. The main content area displays the message: 'Your ASCENDER ParentPortal account has been created.' At the bottom right, there is a green 'Finish' button.

Complete

☐ Click **Finish**.

- The [My Account](#) page opens where you can add a student to your account and update your security and contact information.
- If you entered an email address or mobile number, you will receive a notification

message containing a verification link.

NOTE: If you are not listed as a contact or as a guardian (i.e., student, step-parent, etc.), you will be a read-only user with limited access.

2. Complete the new student enrollment process.

ASCENDER ParentPortal > My Account

If you are continuing from the previous step, the My Account page is displayed. Otherwise, log on and select My Account from the header menu.

If you have not already verified your email address using the link that was sent to your email address, you must do this now to continue.

IMPORTANT: If you do not have access to an email address, contact your student's campus.

Verify the email address:

You must provide and verify your email address before you can access features that require your email address.

You can update your email address at any time.

If no email address has been entered, enter the address.

Email Address	Type your current email address. You cannot enter an email address that is already in use.
----------------------	---

Click **Verify Email**.

The screenshot shows a 'Contact Information' section with a form for 'Email Address'. The input field contains a red 'Unverified' status with a close icon. To the right is a red 'Remove Email' button. Below the input field, a message states: 'A verification link was sent to [redacted]. To verify your email address, click the link contained in the email message.' A 'Re-send' button is located at the bottom right of the form area.

You will receive an email message at that address containing a verification link.

If you entered an email address when you registered for this ASCENDER ParentPortal account, you should have received an email message in your inbox with a code allowing you to verify your email address.

- If the email has been verified, your email address is displayed.
- If your email address has not been verified, you can click **Re-send** to send a new code.

To enroll a student who has never been enrolled in the district, click **Enroll a New Student**.

The **New Student Enrollment** page opens.

ASCENDER ParentPortal > My Account > Enroll a New Student

The New Student Enrollment page allows you to go through the steps required to enroll a new student online using forms provided by the district, and then request an enrollment key which will allow you to complete the New Student Enrollment process.

Step 1 - Student Name:

Enter the student's full name and click **Continue**.

New Student Enrollment

Enroll a new student in the district. Only 10 new student enrollments can be active at any time. If you need to enroll more than 10 students, contact the school district for guidance.

What Happens Next?

Visit in person:

To complete the enrollment process, it may be necessary to go to the district or campus to

deliver the downloadable forms and complete any steps that must be handled in person, as required by the district and campus. Contact your campus for these instructions.

Receive a ParentPortal ID:

Once the district or campus has completed your student's enrollment, the campus will issue you a ParentPortal ID for each student you successfully enrolled. You can use the portal ID to add the student to your account.

Once your student is completely enrolled and added to your account, he will be listed on your **My Account** page under **Students**.

3. [What Happens Next?](#)

Once the campus has accepted the enrollment of your student, the campus will issue you a unique ParentPortal ID for each student allowing you to add to student to your ParentPortal account.

Contact your campus for information about obtaining a ParentPortal ID for your student.

II. Add & Register Student

With a ParentPortal ID, you can add the student to your ASCENDER ParentPortal account and complete Returning Student Registration during the registration window.

[Registration & Student Data Maintenance Flow Chart:](#)

Parent Steps

ASCENDER ParentPortal - Enrollment, Registration & Data Updates

Parent Steps

Before continuing:

- The student must already be enrolled in the district.
- The parent's email address for the student must already be verified via ParentPortal. *

* You must have already created a ParentPortal account AND verified your email address. (Verifying the email address can be done during the creation of a new account or for an existing account on ParentPortal > My Account (**Email Address**)). **NOTE:** The email address **MUST** match a parent/guardian's email address in the campus's records.

* If you do not have a valid email address, contact your student's campus.

Once you receive the ParentPortal ID:

1. [Add the student to your ParentPortal account.](#)

ASCENDER ParentPortal > My Account

If you are continuing from the previous step, the My Account page is displayed. Otherwise, log on and select My Account from the menu.

- From the My Account page, click **Link an Enrolled Student**.

A pop-up window opens.

 A screenshot of a pop-up window titled 'Link an Enrolled Student'. The window has a close button (X) in the top right corner. Below the title bar, there is a light gray box with the text 'Obtain the ParentPortal ID from the student's campus.' Below this, there are two input fields. The first is labeled 'ParentPortal ID:' and contains the placeholder text 'ParentPortal ID'. The second is labeled 'Birth Date (MM/DD/YYYY):' and contains the placeholder text 'Birth Date (MM/DD/YYYY)' followed by a bullet point and the example '(Ex: 03/11/1994)'. At the bottom right of the window, there are two buttons: 'Cancel' and 'Add'.

ParentPortal ID	Type the ParentPortal ID provided by the student's campus. If you do not have this ID, you must contact the campus to get the ID. You cannot add a student without entering a valid student portal ID. The ID is case sensitive and must be entered exactly as it appears (example: qbQgk3qAs2z).
Birth Date	Type the student's complete birth date. The date entered here must match the birth date in the student's record at the campus. You cannot continue without entering the correct birth date.

Click **Add**.

If your student was successfully added to your account, his name will appear on the page. You will now be able to access your student's data.

During the Registration window:

1. [Register for the upcoming school year.](#)

ASCENDER ParentPortal > Summary

Campuses typically require enrolled returning students to re-register each year for the upcoming school year and to complete forms that are required annually. Registration typically occurs during a range of dates according to district requirements. During those dates, you can access Registration from the student's Summary page.

During the annual online registration window:

You can easily see your student's progress in the registration process and access the page where you can complete the forms.

If your student's registration is in progress, a pop-up window opens from this page.

Click **Resume Registration** to continue the registration process.

Or, click  to close the pop-up window and continue registration later.

Once you have completed registration, the pop-up window will no longer appear.

NOTE: On the Summary page, the **Registration** button will be red, yellow, or green depending on how far along you are in the process.

- The information is green if all forms are completed (i.e., 100%).

- If you are not ready to complete a form, click **Save Form** to save any data entered so far.
- If you leave ParentPortal before finishing registration updates, a **Resume Registration** button is displayed allowing you to continue where you left off.
- The list on the left side of the page displays **Pending** or **Complete**, indicating the status of the form.

When you have viewed and entered all required data on all required forms, the **Finish and Submit to District** button is displayed at the bottom of the page.

- Click **Finish and Submit to District**.

The final page opens allowing you to print a confirmation for your records.

- Click **Print Confirmation**.

A page opens in a new window which lists the dates on which each form was completed.

Print this page for your records, then click **Close Window**.

Edit Data:

To update data you already entered, return to the form, type over existing data, and submit the form again.

2. [Monitor pending data changes.](#)

Until a change is approved by the campus, both the previous and new data are displayed, and an asterisk is displayed next to the fields to indicate that the change is pending.

If the administrator rejects a change for a dynamic form field, a message will be displayed next to the field indicating the reason for the rejection.

The message is cleared once you change the field and resubmit.

Texas Standard Forms:

Until the change is approved by the campus, the **Show Changed Values** button appears on the form allowing you to toggle between viewing the previous and new values.

Click **Show Changed Values** to view the previous data.

The changed data is highlighted and reflects the most recent change. Click **Show New Values** to return.

If you edit a pending field, your most recent change will overwrite the former pending change. The campus staff will approve the most recent change.

3. [What Happens Next?](#)

All data changes submitted via ParentPortal must be reviewed by an administrator before the student's record is updated.

- For most forms, each request is approved or rejected individually. For example, if you update your phone and address, the campus may approve the phone number change, but may require proof of residence before an address change is approved.
- For a Texas standard form, the form is accepted or rejected as a whole.

If campus staff rejects a submitted change, you will be notified by email. The email message should inform you why a particular change was rejected and what to do. Contact the student's campus for more information.

III. Maintain Student Data

If allowed by the district, you can submit a request to update your student's current year records at any time, such as an address or phone number change.

1. [Update current year data as needed.](#)

ASCENDER ParentPortal > My Account

- From the My Account page, click **Maintain Student Data**.
