Summary (Resumen)

ASCENDER ParentPortal > Summary

The Summary page is the first page displayed when you successfully log on to ASCENDER ParentPortal. This page provides your student's schedule, current average for each class, and attendance for the current date. You may also see a district or campus message if available.

If your student's report card or IPR is available, a link is provided.

Mobile App Features

The ASCENDER ParentPortal uses a Responsive Design approach, which means the software detects the screen size and orientation of your device, and changes the layout accordingly so that you have the best viewing experience.

Some features you may experience as the screen gets narrower:

- The side menu will collapse (i.e., hide). Click  to view the side menu.
- Objects on the screen will shift from side-by-side to stacked vertically.
- Grids (such as the student's schedule) will adjust by hiding the columns, beginning with the column furthest to the right. Tap the row to view any hidden data.

Some features you may experience as the screen gets wider:

- Buttons will get wider but not taller.

☐ Select Summary from the Navigation menu to access this page.

Student Information

A student summary card is displayed for each student added to your account which displays the number of unread alerts for your student (according to your alert settings).

Resumen

ASCENDER ParentPortal > Resumen

La página de Resumen es la primera página que aparece cuando inicia sesión en ASCENDER ParentPortal. Esta página le muestra el horario de su estudiante, su promedio actual en cada clase, y su asistencia en la fecha actual. También podría aparecer un mensaje del distrito o del plantel.

Características de la aplicación móvil

El portal ASCENDER ParentPortal utiliza una estrategia de diseño adaptable, lo que significa que el software detecta el tamaño de la pantalla y la orientación de su dispositivo y cambia su presentación para ofrecerle la mejor experiencia en su navegación.

Algunas características que puede ver cuando la pantalla es más estrecha:

- El menú lateral se ocultará. Haga clic en  para ver el menú lateral.
- Los objetos en la pantalla dejarán de estar lado a lado y se apilarán de forma vertical.
- Las cuadrículas (como el horario del estudiante) se ajustarán ocultando columnas, comenzando con la columna de la derecha. Toque el renglón para ver los datos ocultos.

Algunas características que puede ver cuando la pantalla es más ancha:

- Los botones se harán más anchos, pero no más altos.

Para obtener acceso a esta página, seleccione Resumen en el menú Navegación.

Información del estudiante

Se muestra una tarjeta de resumen del estudiante para cada estudiante que añada a su cuenta, y en ella se muestra la cantidad de alertas no leídas del estudiante (de acuerdo con su configuración de alertas).
