# Admin - Form Settings

## **ASCENDER ParentPortal Admin > Admin Menu > Form Settings**

This page is only available to users who log on to ASCENDER ParentPortal with a district- or campus-level security administrator user name.

This page allows you to enter district-level settings for Student Enrollment and Online Registration, and view form data.

### **Student Enrollment Versus Online Registration:**

- **Student Enrollment** refers to the one-time process of enrolling a new student in the district. Only forms in the *New Student Enrollment* group, and static printable forms, are used for new student enrollment.
- **Online Registration** refers to the annual maintenance of records for existing students (i.e., students already enrolled in the district), such as demographic data updates and form acknowledgement.
- **Student Data Updates** refers to the ongoing maintenance of records for existing students, such as changes to contact information.

### **Access Control:**

#### **Online Registration**

These fields enable annual Online Registration:

<b>Allow Parent Access</b>	<p>This field enables and disables Online Registration, including the tools needed to set up forms.</p> <p>Select <b>Yes</b> if you will be using Online Registration, including during setup.</p> <p>Use <b>Online Registration Date Range</b> to control when Online Registration is available to parents.</p>
----------------------------	--

<b>Online Registration Date Range</b>	<p>To specify the beginning and ending dates for online registration:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Click in the field, and a calendar opens.</li> <li><input type="checkbox"/> First click the start date, then click the end date. The calendar closes once you click the end date.</li> <li><input type="checkbox"/> Click <b>Save Date</b>. When the current date falls on or within these dates, parents will be able to use Online Registration for students who are enrolled in the district.</li> </ul> <p>If no dates are entered, or if the current date is outside the date range, Online Registration is not available in ParentPortal.</p>
<b>District Online Registration confirmation message:</b>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Type a message that will be displayed to parents upon successfully completing Online Registration in ParentPortal.</li> <li><input type="checkbox"/> Click <b>Update Message</b>.</li> </ul>

## Student Enrollment

These fields enable annual Online Student Enrollment:

<b>Would you like to allow parental access to Student Enrollment</b>	<p><b>IMPORTANT:</b> This field is set to <b>No</b> by default. Leave this field set to <b>No</b> until setup is complete and you are ready to enable Student Enrollment.</p> <p>When set to <b>Yes</b>, the <b>xxx</b> link will be displayed on the ParentPortal Login page allowing the parent to enroll a new student in the district.</p>
<b>What type of authentication would you like to use for new enrollment</b>	

**IMPORTANT:** The CAPTCHA option should only be used during short-term enrollment events such as Kinder Roundup.
