If your student was present and on time for the entire day, nothing appears for the date.

If your student was not present for the entire class, a code appears for the period and date. A description of each code is displayed in the **Legend**.

Instructor If the teacher has provided an email address, the teacher's name is displayed as a link to that email address. If you click the name, the default email client (as specified in your Internet Options settings) opens with the teacher's address in the To field.

TIP: If you use web-based email (e.g., Gmail or Yahoo! Mail), you can copy the email address from the default email client to a web-based email message.
