Security Question

The screenshot shows a registration flow with three steps: User Information, Security Question, and Complete. The Security Question step is active. A dropdown menu for 'Select Question' is open, showing 'What was the name of your first pet?'. Below it is a text input field for the 'Answer' with a placeholder 'Answer'. At the bottom right are 'Back', 'Next', and 'Cancel' buttons.

Security Question	Select a question. If you need to reset your password, you will be asked this question.
Answer	Type the answer to the question. You will need to answer this question correctly to recover your password. Be sure to select a question for which you will remember the answer easily. IMPORTANT: The answer is case-sensitive (always write it exactly as it appears here, including upper and lower case letters).

Click **Next**.

Click **Finish**.

- The [My Account](#) page opens where you can add a student to your account and update your security and contact information.
- If you entered an email address or mobile number, you will receive a notification containing a verification code.

NOTE: If you are not listed as a contact or as **Guardian Verified** on the Registration Contacts tab, you will be a read-only user with limited access.
