Security Question

The screenshot shows a user interface for setting a security question. At the top, there are navigation tabs: "Login", "Create Account", "New Student Enrollment", and "TEXAS ISD Documents". Below these is a progress bar with three stages: "User Information", "Security Question" (which is currently active and highlighted with an orange dot), and "Complete". A message states: "This information will assist you in resetting a lost password." The main form area contains a "Select Question:" dropdown menu with the selected option "What was the name of your first pet?". Below this is an "Answer:" text input field with a placeholder "Answer" and a toggle icon for visibility. At the bottom right, there are three buttons: "Back" (green), "Next" (green), and "Cancel" (white with red border).

Select Question	Select a question. If you need to reset your password, you will be asked this question.
Answer	Type the answer to the question. You will need to answer this question correctly to recover your password. Be sure to select a question for which you will remember the answer easily. IMPORTANT: The answer is case-sensitive (always write it exactly as it appears here, including upper and lower case letters).

Click **Next**.

Click **Finish**.

- The [My Account](#) page opens where you can add a student to your account and update your security and contact information.
- If you entered an email address or mobile number, you will receive a notification message containing a verification link.

NOTE: If you are not listed as a contact or as a guardian (i.e., student, step-parent, etc.), you will be a read-only user with limited access.
