Table of Contents

This page allows you to create new forms, as well as delete and edit existing forms. Two types of forms can be created:

- **Static forms** can be created using the static documents you have already uploaded.
- **Dynamic forms** can be created using the columns you selected in previous steps.

Standard forms are predefined district-level forms that are common throughout Texas. The forms are included automatically and cannot be edited.

A form must be added to a group (or to the Online Registration template) in order to be accessible to parents. You will [add the form to a group](#) or to the [Online Registration template](#) in a subsequent step.
