## **Table of Contents**

This page allows you to create new forms, as well as delete and edit existing forms. Two types of forms can be created:

- Static forms can be created using the static documents you have already uploaded.
- **Dynamic forms** can be created using the columns you selected in previous steps.

**Standard forms** are predefined district-level forms that are common throughout Texas. The forms are included automatically and cannot be edited.

A form must be added to a group (or to the Online Registration template) in order to be accessible to parents. You will add the form to a group or to the Online Registration template in a subsequent step.
