tr_summary_student_info

Table of Contents

A student summary card is displayed for each student added to your account.

During the annual online registration period...

You can easily see your student's progress in the online registration process, and access the pages where you can complete the forms.

• The information is red if a majority of the forms are *not* completed.

• The information is yellow if most of the forms are completed.

• The information is green if all forms are completed.

When online registration is not available...

This is displayed.
