ASCENDER ParentPortal > Summary > Registration

Campuses typically require enrolled returning students to re-register each year for the upcoming school year and to complete forms that are required annually. Registration typically occurs during a range of dates according to district requirements. During those dates, you can access Registration from the student's Summary page.

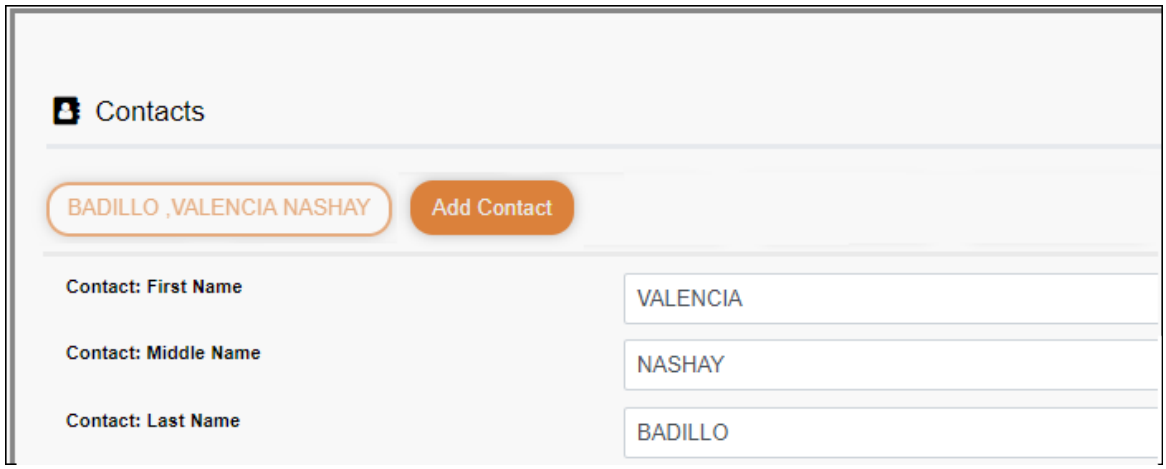

❑ Click **Start Registration**.

The first form in the list opens on the right side of the page.

Depending on the form type and district requirements, a form will require one of two actions:

- View only or download
- Review and update

- **View only or download:** View the form and acknowledge that you have viewed the form. There is no data to enter.
  - For a static form, click **Download Attached Document** to open, save, and/or print the form.
  - For a standard form, the form automatically opens on the right side of the page.
  - By clicking **Next Form**, you are confirming that you viewed the form.

  - For a dynamic form, add or change data. Type over the existing data with new data where applicable.

- If a field contains the **Document** button, you can click the button to upload a file related to online enrollment, such as a birth certificate, driver license, immunization record, or proof of residency.
- Texas standard forms must be re-submitted each year. All data must be re-entered.

❑ Click **Next Form**.

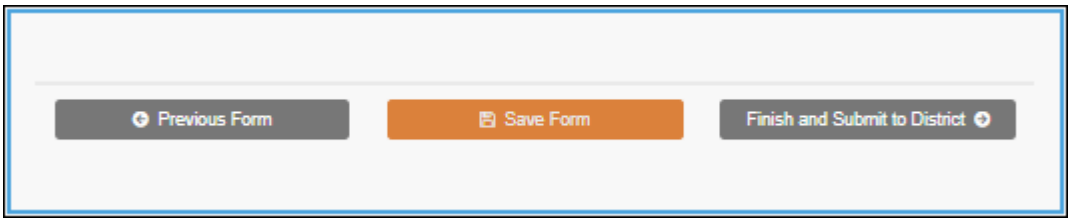

The next form in the list is displayed on the right.

❑ Continue reviewing forms and clicking **Next Form** until you have reviewed and updated all forms.

- If you leave ParentPortal before finishing registration updates, a **Resume Registration** button is displayed allowing you to continue where you left off.
- The list on the left side of the page displays **Pending** or **Complete**, indicating the status of the form.

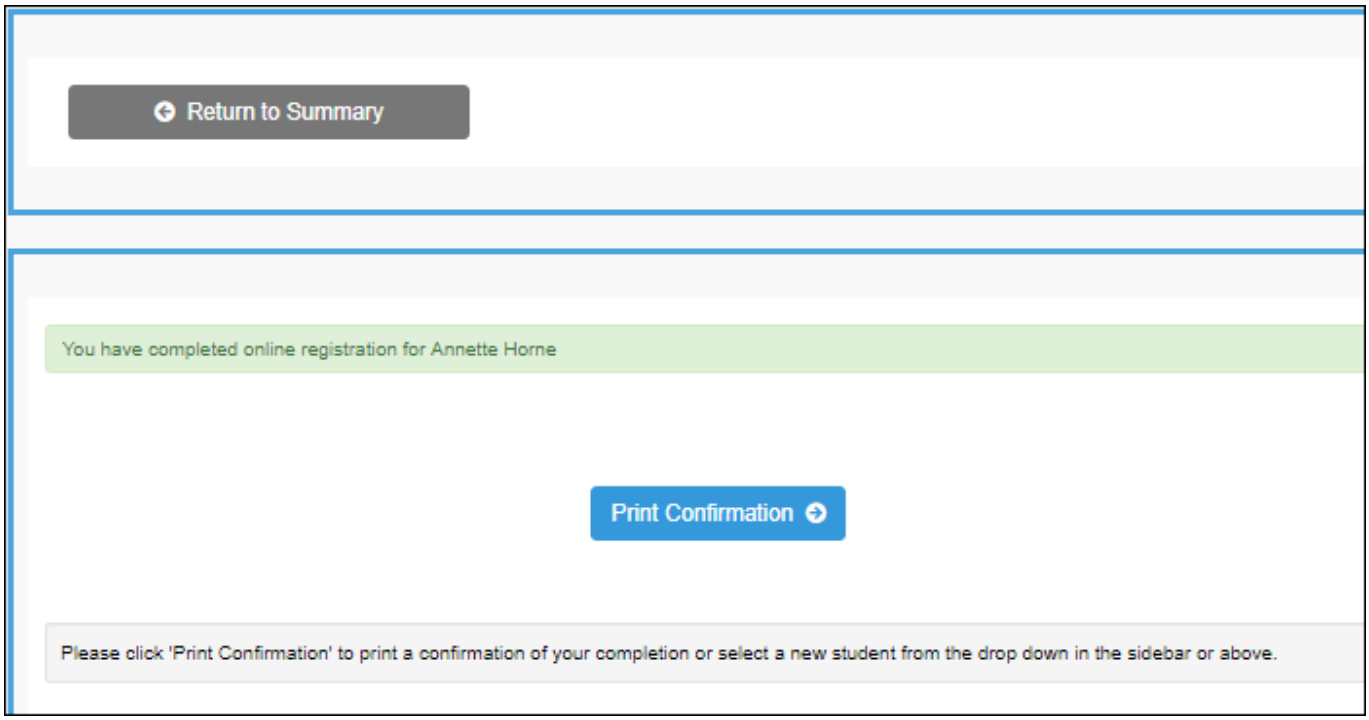

When you have viewed and entered all required data on all required forms, the **Finish and Submit to District** button is displayed at the bottom of the page.
