|                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|---------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Core Collection</b>    | Select the submission. For the ECDS PK submission, select <i>Early Childhood Data System - PK</i> .                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>Ending School Year</b> | <p>(Display only) The submission year, as entered in the <b>Submission Year</b> field on <a href="#">State Reporting &gt; Options</a>, is displayed.</p> <p>For example, for the 2020-2021 ECDS-PK submission, the field would display 2021.</p>                                                                                                                                                                                                                                                                                                             |
| <b>Campus</b>             | Type the three-digit campus ID. Leave blank to select all campuses in the district.                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>As-Of Date</b>         | <p>(Required) Enter the as-of date for running this utility.</p> <p><b>NOTES:</b></p> <ul style="list-style-type: none"> <li>This date is used as the staff association date as well as for determining the course-section in the master schedule.</li> <li>When determining which record to retrieve, the system first references the <b>PK End Of Year</b> date, if blank, then references the <b>PK Beginning Of Year</b> date. If both of those dates are blank, the entered <b>As-of Date</b> is used to determine which record to retrieve.</li> </ul> |

☐ Select the following individual interchanges for the ECDS PK submission.

- All TSDS Early Childhood Data System - PK Interchanges
- Education Organization Interchange
- Master Schedule Interchange
- Staff Association Interchange
- Student Enrollment Interchange
- Student Parent Interchange
- Student Program Interchange

Only courses with service ID 01010000 are included.

|                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Selected Students</b> | <p>The field is enabled if you selected all interchanges or a student-related interchange. Type or click the ellipsis to select the students for whom you want to create an interchange. Separate multiple students (Texas unique student IDs) with a comma (e.g., 6895409515,1628657282,2986961713). Leave blank to select all students.</p> <p><b>Note:</b> The <b>As-Of Date</b> field must be completed in order for this field to retrieve students.</p> |
| <b>Selected Staff</b>    | <p>The field is enabled if you selected all interchanges or a staff-related interchange. Type or click the ellipsis to select the employees for whom you want to create an interchange. Separate multiple employees (Texas unique staff IDs) with a comma (e.g., 4732877094,2568052155). Leave blank to select all staff.</p> <p><b>Note:</b> The <b>As-Of Date</b> field must be completed in order for this field to retrieve staff.</p>                    |

☐ Click **Run**.

When the process is complete, you are prompted to save a .zip file containing the individual files for the completed interchanges.

The default name of the zipped folder is *District\_YYYY-MM-DD.HH-MM-SS.TSDS.zip*, where:

- *District* is the six-digit county-district number
- *YYYY-MM-DD* is the date when the folder was created
- *HH-MM-SS* is the hour, minute, and second when the folder was created

Example: 015101-2020-05-15.15-30-22.TSDS.zip

The default name for the individual files is

*District\_Campus\_Collection\_TimeStamp\_Interchange.xml*, where:

- *District* is the six-digit county-district number
- *Campus* is the three-digit campus ID
- *Collection* is the nine-character collection (ending school year & submission)
- *TimeStamp* is the 12-digit date-time-stamp when the interchange was created

(YYYYMMDDHHMM)

- *Interchange* is the name of the interchange created.

Example: 015101\_000\_2021TSDS\_202005151420\_InterchangeStudentProgramExtension.xml

**NOTE:** The Student Program only extracts for Special Education; therefore, not all students will be written into this interchange, which may result in a blank interchange.

☐ If errors are encountered:

1. Correct the data in ASCENDER.
2. Re-run the interchange(s).
