☐ Click **Run** to extract the selected records.

A message is displayed indicating that the extract is complete.

 $\ \square$  Click **Save** to write the records to ASCENDER State Reporting tables.

**IMPORTANT!** You must click **Save** to add the budget data to State Reporting. If you do not click **Save**, you will need to re-extract the data.

#### **Print** View the report.

#### Review the report using the following buttons:

Click first page of the report.

Click 1 to go back one page.

Click to go forward one page.

Click less to go to the last page of the report.

#### The report can be viewed and saved in various file formats.

Click 占 to save and print the report in PDF format.

Click to save and print the report in CSV format. (This option is not available for all reports.)
When a report is exported to the CSV format, the report headers may not be included.

Click it to close the report window. Some reports may have a **Close Report**, **Exit**, or **Cancel** button instead.

Review the accuracy of the budget data. Finance budget codes are listed on the left, and the collapsed PEIMS records are listed on the right.

**WARNING!** If you navigate away from the extract page, the **Print** button will no longer be available.

**NOTE:** Data can be re-extracted, but you will overwrite any existing data in State Reporting when you click **Save**, unless you select **Add New** under **Method** when re-extracting data.
