Verify that the following are correct for all courses in the district master schedule:

- ☐ **Pop Srvid** - Verify that the population served code indicates the population for which the course was designed. The default code is 01 (i.e., Regular students).
- ☐ **Class Type** - Verify that the code correctly indicates if the instruction for the class is provided in a regular or non-regular classroom.

☐ **Role ID** - Verify that the role ID is appropriate for the course. In most cases, the code is 087 (i.e., Teacher).
