## Grade Reporting > Reports > Grade Reporting Reports > Student Verification > SGR1600 - Career & Technology Code Verification

Career and Technology Code Verification Report													Program ID: SGR1600	
001 School													Page: 1 of 2	
Sch Year: 2022 Semester: 1														

SGR1600 provides a list of all students who have a CTE course in their schedule.

- Verify and update data for students in CTE, and verify their enrollment in a CTE-eligible class.
- **Verify the information in columns Car Tech Code and TEA Service ID. Sorting the report by these columns may be helpful.**
- The **CTE Crd Amt** field displays the number of hours earned for each course toward CTE contact hours.

### PEIMS Career and Technical Education Indicator Code Calculation

Beginning with the 2020-2021 school year, the Career and Technical Education Indicator Code is a calculated value based on the student's course completion data for all years in which the student could have taken a CTE course. The Career and Technical Education Indicator Code will be calculated by TEA for all students in grades 06-12.

The Career and Technical Education Indicator Code is calculated once the PEIMS Summer Submission is in the Accepted status for all LEAs. Reports that display the calculated value will be available approximately two weeks after each submission closes.
