Add Add a student.

Click to add a student who does not already exist in ASCENDER State Reporting tables. Manual entry of a student is rare and generally only needed when a district is using ASCENDER State Reporting only. Most districts extract the data from ASCENDER. If you add or modify a student record in ASCENDER State Reporting, you should also update in ASCENDER (live).

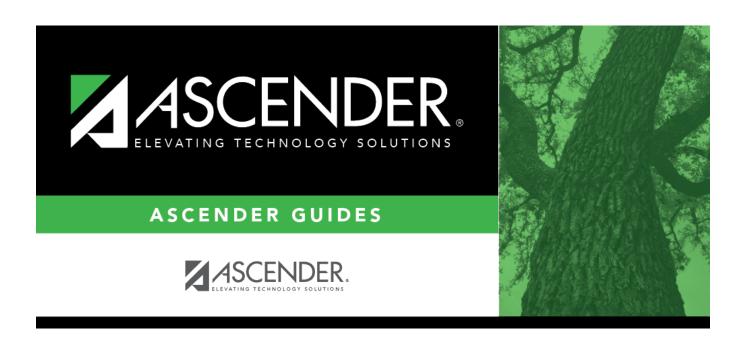

State Stu

This field is required only if you are adding a new student in State Reporting. Otherwise, the ID is extracted from Registration and not editable.
