State Reporting > Maintenance > Summer > Student > Restraint

Update data for the RestraintEventExtension complex type as needed.

The RestraintEventExtension complex represents the restraint data for:

- 1. Restraints of all students that are administered by school district police officers and school resource officers working with a LEA under a local MOU
- 2. Special education students who are restrained by LEA employees and volunteers

Select a student

To retrieve a student's records, select the student in one of the following ways:

Stu ID	Begin typing the student ID. As you begin typing the student ID, a drop-down list
	displays students whose ID matches the numbers you have typed. The drop-down list
	displays the students' full name and grade level. From the drop-down list you can
	select the student.

Stu Name	Begin typing the student's name in one of the following formats: • Last name, comma, first name • Last name initial, comma, first name initial
	As you begin typing the name, a drop-down list displays students whose names match the letters you have typed. The drop-down list also displays student IDs, and grade levels. From the drop-down list you can select the student.
Texas Unique Stu ID	Begin typing the student's Texas Unique Student ID. As you begin typing the ID, a drop-down list displays students whose ID matches the numbers you have typed. The drop-down list also displays student's last name, first name, middle name, and grade level. From the drop-down list you can select the student.
Directory	Click Directory to select a student from the directory.

Add Add a student.

Click to add a student who does not already exist in ASCENDER State Reporting tables. Manual entry of a student is rare and generally only needed when a district is using ASCENDER State Reporting only. Most districts extract the data from ASCENDER. If you add or modify a student record in ASCENDER State Reporting, you should also update in ASCENDER (live).
