\* If eligibility code is 1, 3, or 4, then a value of 1 is added to the Eligible Days for every membership day that falls within the Special Ed enrollment dates for the student's campus/track. Then any ADA absences during the ADA period within the student's special ed program dates are subtracted from the Eligible Days to get the Eligible Days Present. If the student's eligibility code is 2, 6, or 5, then a value of .5 is added to the Eligible Days for every membership day that falls within the Special Ed enrollment dates for the student's campus/track and .5 is subtracted for every ADA absence.
