# Copy employees with August contract begin dates from NYR to CYR

**Log on to the next year pay frequency.**

[Payroll > Next Year > Copy NYR Staff to CYR](#)

**CAUTION:** Only copy employees whose contracts begin in August but will not receive first pay of new school year until September.

Under **Parameters:**

- Select **Active** to include employees with an active pay status.
- In the **Contract Begin Date**, select the pay date. You may need to complete this process several times if you have employees with various August contract begin dates.
- Under **Options**, select the applicable options:
  - Select **Include Employees with Termination Date**
  - Only select **Carry over employee deductions** if you updated new year deductions in next year payroll.
- Click **Execute**. A message is displayed prompting you to create a backup. A backup is recommended.

**Note:** If you need to import the backup file, use the current year [Payroll > Utilities > Import HR Tables From Database Tables](#) page. This functionality is not available in next year Payroll.

[Review the report.](#)

Click **Process** to accept the changes and continue. A message is displayed indicating that the process was completed successfully. In addition, a list of the database record tables that were copied is displayed. Click **OK**.

Verify and save the reports before processing.
