# Copy employees with August contract begin dates from NYR to CYR

**Log on to the next year payroll frequency.**

[Human Resources](#) > [Next Year](#) > [Copy NYR Staff to CYR](#)

**TIP:** These are employees who have not started receiving their new contract money.

Under **Parameters**:

- Select **Active** to include employees with an active pay status.
- In the **Contract Begin Date**, select the pay date. You may need to complete this process several times if you have employees with various August contract begin dates.
- Under **Options**, select **Include Employees with Termination Date** to include employees with a termination date.
- Click **Execute**. [Review the report](#).
- Click **Process** to accept the changes and continue. When all records have been copied, a message is displayed indicating that the process copied records for tables and lists the database record tables that were copied. Click **OK**.

Verify and save the reports before processing. An export is recommended.
