ASCENDER - Process 1095 Forms

Created: 12/07/2018

Reviewed: 12/12/2025

Revised: 12/12/2025

The purpose of this document is to guide you through the necessary steps to verify and produce the Affordable Care Act (ACA) Forms 1095-B (Health Coverage) and 1095-C (Employer-Provided Health Insurance Offer and Coverage). After the 1095 data is finalized, provide 1095 forms to employees according to their EmployeePortal 1095 consent option. Also, create the ACA 1095-B or 1095-C electronic file to be submitted to the Internal Revenue Service (IRS).

This document assumes you are familiar with the basic features of the ASCENDER Business system and have reviewed the [ASCENDER Business Overview guide](#).

Some of the images and/or examples provided in this document are for informational purposes only and may not completely represent your LEA's process.

Description of Forms

Form 1095-B

Click [here](#) to view the current Form 1095-B.

An LEA is only responsible for filing Form 1095-B if the following two requirements are met:

1. The LEA offers health coverage to its employees.
2. The LEA is "self-insured", meaning the LEA pays its employees' medical bills instead of an insurance company.

LEAs not meeting both of these requirements **do not** have to manage 1094/5-B forms and filings. However, employees may still receive a 1095-B form from their insurance carrier.

Applicable small employers (less than 50 full-time equivalents) must file the 1094-B transmittal form along with the 1095-B submission file with the IRS. This data allows the IRS to determine health insurance enrollment.

Form 1095-B provides information about individuals in a tax family (employee, spouse, and dependents) who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year.

Form 1095-C

Click [here](#) to view the current Form 1095-C.

Applicable large employers must file the 1094-C transmittal form along with the 1095-C submission file with the IRS. This data (enrollment and offer of coverage) allows the IRS to determine if the ALE is subject to possible penalties outlined by the ACA guidelines.

Form 1095-C provides a list of covered individual and offer of coverage data and is required for ALE's (at least 50 or more full-time equivalents). This form is provided to any employee of an ALE who was a full-time employee for one or more months of the calendar year regardless if they were offered or enrolled in health insurance. Also, this form is provided to all full and part-time employees who were enrolled in health insurance offered by the employer. ALE's are required to report this information for each employee for all twelve months of the calendar year.

Before You Begin

Review the Affordable Care Act for Employers overview at <https://www.irs.gov/affordable-care-act/employers>. The ACA employer tax provisions are based on whether your organization is considered a small or large employer. After determining how your organization is classified, proceed with the applicable reporting requirements.

ASCENDER only allows for the electronic filing of 1095s to the IRS.

Be sure to review the Affordable Care Act Information Returns (AIR) webpage at <https://www.irs.gov/e-file-providers/affordable-care-act-information-returns-air> for updated information about filing electronic information returns.

Refer to the IRS website <https://www.irs.gov/affordable-care-act> for specific ACA reporting details and deadlines.

If your LEA plans to use the extract method of creating 1095 records for the calendar year, use the following two steps to maintain employee insurance data in Personnel throughout the calendar year. Creating records via the extract is covered in step 2b of this document.

- Set up insurance company codes table.

Set up insurance company codes table

Personnel > Tables > Insurance Company Codes

Add codes for health insurance plans.

Note: It is not necessary to add separate codes for each health insurance plan since you can see the current detail in their deduction screens.

The screenshot shows the Business application interface. At the top, there is a green header bar with a 'Tables > Insurance Company Codes' link, a 'Personnel' dropdown, and several buttons: 'Save', 'Retrieve', 'Add', 'Delete', and 'Print'. Below the header, the 'INSURANCE COMPANY CODES' section is visible, featuring a search bar ('Search Insurance Company Code/Name: AETNA : AETNA') and a list of fields for entering company details: Company Code (AETNA), Company Name (AETNA), Street Nbr, Street Name, City, State, Zip Code, +4, Phone Number, Extension, and Contact. The 'Insurance Plans' section is also shown, displaying a table with columns: Delete, Plan Number (028), Plan Description (ACTIVECARE 1-HD), Group Nbr (866345-030), and Self-insured (checkbox checked). Add or update staff insurance data

[Personnel > Maintenance > Staff Demo > Insurance](#)

This tab contains insurance information for the employee. The data includes the insurance company, the plan type, coverage information, the individuals covered by the plan, and the demographics of the covered dependents.

Since ACA is reported over a calendar year, some employees may have multiple rows if they changed insurance companies during the last enrollment period and you added insurance codes for each plan.

If this data is maintained throughout the calendar year for all applicable employees, you can use the [Personnel > Utilities > Extract Insurance Data to 1095 Data](#) page to extract insurance data from this tab to the [Personnel > Maintenance > ACA 1095 YTD Data](#) maintenance page(s). Most data will populate accurately; however, there are some records that may require manual edits.

If your LEA plans to copy 1095 records from the prior year, manually enter records, or import a text file to create 1095 records, continue to step 1 of this document.

Keep in mind, regardless of what method is used to create 1095 records, in most cases, some manual changes will be required to ensure accurate reporting.

2. Create 1095 records.

The following methods are available to create the 1095 records. Depending on your LEAs procedures, you can select the method that best meets your needs.

Remember, if your LEA initially planned to maintain employee insurance data in Personnel throughout the calendar year, you can use the extract method (b.) to create 1095 records. If not, then you can manually create records, import records, or copy records from the prior year.

Under **Extract Option**, select one of the following options:

- Insert new records from Staff Demo Insurance Records.** - This option only inserts new information entered on the Staff Demo page since the last time 1095 data was extracted.
- Delete all existing records and insert all records from Staff Demo Insurance Records.** - This option clears previously extracted 1095 data for the calendar year indicated and replaces it with the current data available in the Staff Demo insurance records.

Under **Plan Options**, select **Self-Insured Plans**.

Under **Record Type**, select **ACA 1095-C**.

In the **Calendar Year (YYYY)** field, type the calendar year for which you want to extract data.

In the **Plan Start Month**, type the month for which you want to extract data. In this example, we will use **09**.

- In the **Offer of Coverage** field, indicate the offer of coverage for which you want to extract. In this example, we will use *1E (offer to Employee, Spouse and Dependents)*.
- In the **Safe Harbor** field, indicate the safe harbor code for which you want to extract. In this example, we will use *2C (Employee enrolled in coverage offered)*.
- Under **Employees with Calendar YTD Data Who Do Not Have Staff Demo Insurance Records**, select one of the following options:
 - **Pay Type 1-3 Employees** (excludes subs)
 - **Pay Type 1-4 Employees**

- Under **Employee Share of Lowest Cost Monthly Premium**, in the **All** field, type the set share of the lowest-cost monthly premium amount for employees in each pay type (1-4). This is the lowest premium the employee could have paid to obtain coverage.

For example, if your LEA pays \$225 toward insurance for all employees and TRS ActiveCare Primary had the lowest premium for employee only coverage, the amount will be \$161 for Jan – Aug and \$192 for Sept – Dec. (\$386-\$225=\$161 and \$417-\$225=\$192.)

Notes:

- This allows all employee forms to indicate that they were offered coverage all year and chose to enroll in that coverage all year. Although, this may not be the exact scenario, it will most likely be the case for the majority of employees.
- Be sure to manually correct the data for those employees who had a different situation. For example, employees who did not work all year at the LEA, employees who opted out of the insurance, substitutes for whom the LEA did not pay the \$225, etc.
- You can make the manual corrections on the Personnel > Maintenance > ACA 1095 YTD Data. Be sure to retrieve data for the appropriate calendar year, update the necessary fields, and save the changes.

The below example provides a possible scenario of changes for this employee:

Offer of Coverage

| | All | Jan | Feb | Mar | Apr | May | Jun | Jul | Aug | Sep | Oct | Nov | Dec |

Offer of Coverage:

- 1H (No offer) for January through August assuming that the employee started at the LEA in late August.
- 1E (Offer to Employee, Spouse and Children) for September – December. This was extracted so no changes were made.

Employee Share:

- The Employee Share would be 0.00 for January – August since no coverage was offered as the employee started late August.
- \$161.00 extracted for September – December, assuming the LEA's contribution was \$225.00 and should not require a change.

Safe Harbor:

- 2A (Employee was not employed on any day of the month) for January – July
- 2B (Employee was not a full-time employee and not enrolled in coverage) for August with the assumption that the employee started late in August and did not enroll in coverage until September.
- 2C (Employee enrolled in coverage offered) for September – December

Covered Individuals:

- Selected **Self-Insured** as the LEA provided coverage.
- In the **Plan Start Month**, type 09 as the coverage started in September.
- Selected the **Employee** check box.
- Selected the September – December check boxes as those are the only months of coverage.

c. Import 1095 data.

Import records

Use the [Personnel > Utilities > Import ACA 1095-B/1095-C Data](#) page to import 1095 records.

Review the [1095-C Offers of Coverage File Layout](#).

d. Copy prior year records.

Copy prior year records

If you choose, you can copy records from the prior year to the new year. After you have copied the data, you can manually edit the records or add new records.

On the Personnel > Tables > ACA 1095 Codes tabs, review the ACA tables to ensure that the relevant data exists. Add or edit the Offer of Coverage and Safe Harbor tabs as needed.

1095-C Offer of Coverage tab: Be sure to verify that you are using valid codes for the applicable calendar year.

1095-C Safe Harbor tab: Be sure to verify that you are using valid codes for the applicable calendar year as some Safe Harbor codes have expired.

Use the [Personnel > Utilities > Copy 1095 Data](#) page to copy 1095 records.

- Under **Extract Option**, select **Delete all existing records and copy all records**.
- Under **Record Type**, select **ACA 1095-C**.
- In the **From Calendar Year** field, type the calendar year from which you want to copy records.
- In the **To Calendar Year**, type the calendar to which you want to copy records.
- In the **Plan Start Month** field, type 09.
- In the **Employee Share of Lowest Cost Monthly Premium**, enter the amount equal to the lowest premium for employee only coverage – your LEA & state contribution. For example, if the LEA/state contributes \$225.00 and TRS ActiveCare Primary had the lowest premium for employee only coverage, the amount will be \$192.00. ASCENDER will automatically use the 'old' rate of \$161.00 in Jan – Aug, then switch to the 'new' rate of \$192.00 beginning with the Plan Start Month of Sept.
- Click **Execute**. If there are any errors, make corrections as needed.

Once the 1095 records are created or copied over from the prior year, you can make manual changes as needed using the Personnel > Maintenance > ACA 1095 YTD Data tabs.

The following are a few examples of possible edits that may be required after creating the 1095 records:

- Adding or deleting coverage for employees or dependents
- Deleting employees who left during the calendar year or who were not paid during the reporting year

LEAs with less than 50 full-time equivalents are required to provide form 1095-B for ALL covered employees and ONLY covered employees, not necessarily everyone who received a W-2. If the employee was not enrolled in the LEA's health insurance, **do not** complete form 1095-B for the employee.

LEAs with 50 or more full-time equivalents are required to provide form 1095-C for ALL covered employees and for any employee that was full-time for any month of the calendar year, not necessarily everyone who received a W-2. The LEA is not required to provide a 1095 C to part-time employees who are not enrolled in the LEA's insurance plan.

6. Update reporting contact information.

The **SHOP** fields can be left blank as it should only be used if reporting a Form 1095-A for employees who obtained coverage in the marketplace.

9. Create the 1095 (B or C) AIR files.

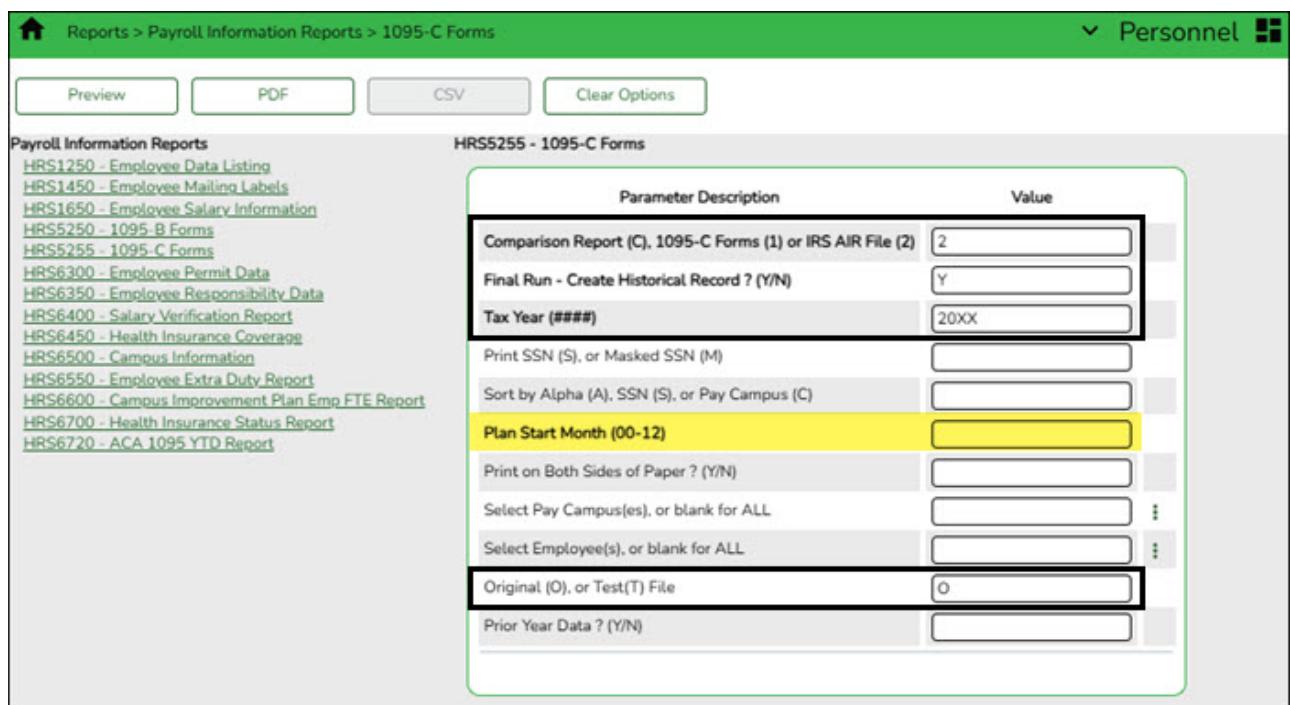

Create 1095 (B or C) AIR file

Depending on the form type (1095-B or 1095-C), use the [Personnel > Reports > Payroll Information Reports > HRS5250 - 1095-B Forms](#) or [HRS5255 - 1095-C Forms](#) reports to create

the Affordable Care Act Information Returns (AIR) files.

Below is an example of creating an AIR file using the 1095-C Forms report.

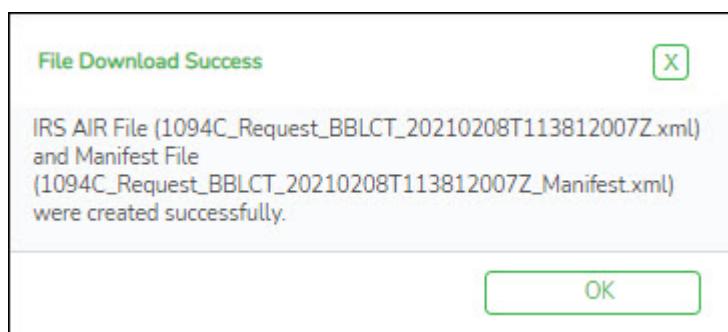

Note: The TCC is no longer validated during the creation of ACA files

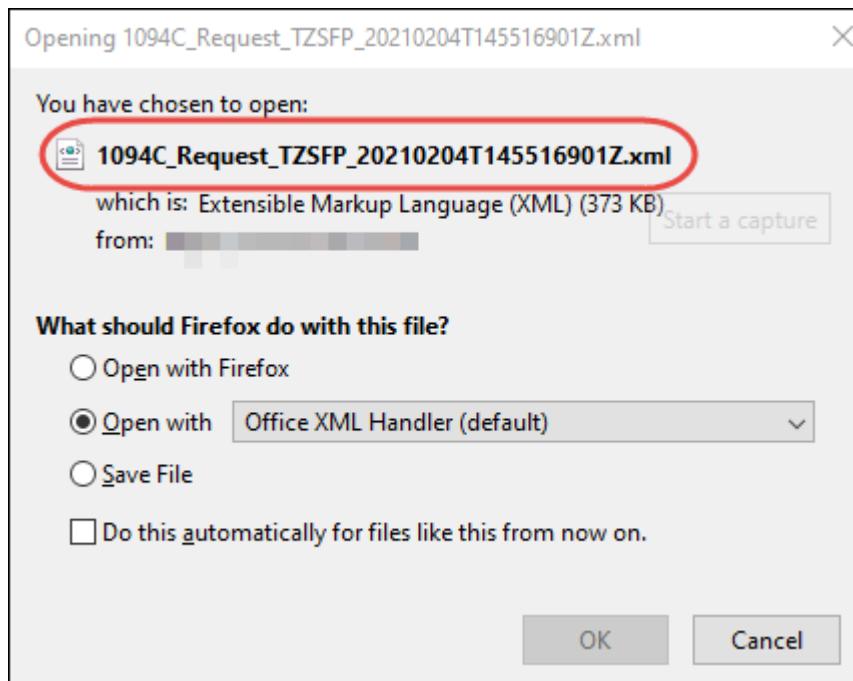

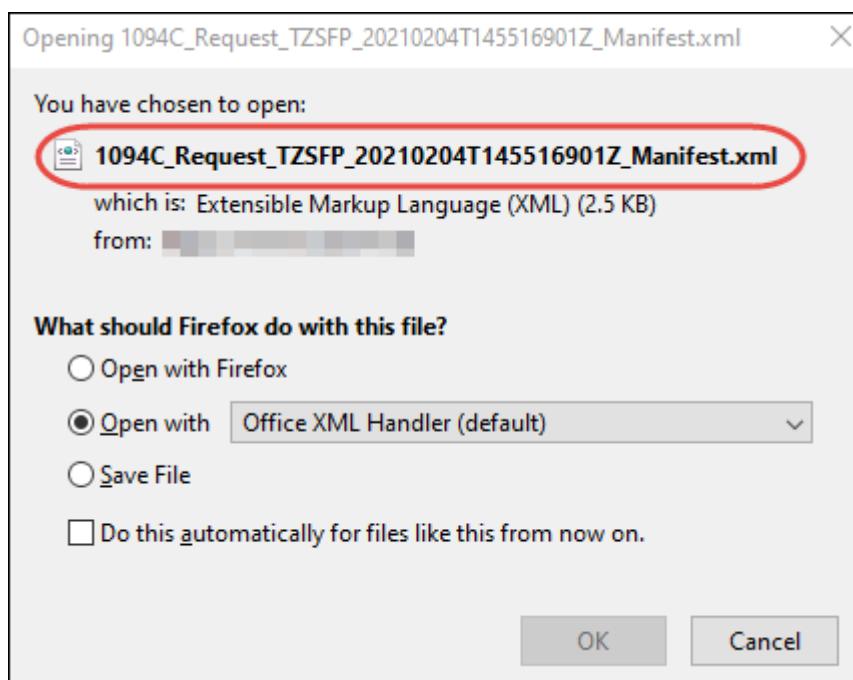

The screenshot shows the 'HRS5255 - 1095-C Forms' report configuration screen. On the left, a list of payroll reports is visible, including 'HRS1250 - Employee Data Listing', 'HRS1450 - Employee Mailing Labels', 'HRS1650 - Employee Salary Information', 'HRS5250 - 1095-B Forms', 'HRS5255 - 1095-C Forms', 'HRS6300 - Employee Permit Data', 'HRS6350 - Employee Responsibility Data', 'HRS6400 - Salary Verification Report', 'HRS6450 - Health Insurance Coverage', 'HRS6500 - Campus Information', 'HRS6550 - Employee Extra Duty Report', 'HRS6600 - Campus Improvement Plan Emp FTE Report', 'HRS6700 - Health Insurance Status Report', and 'HRS6720 - ACA 1095 YTD Report'. The 'HRS5255 - 1095-C Forms' report is selected. On the right, a table lists parameters with their descriptions and values. The 'Plan Start Month (00-12)' parameter is highlighted with a yellow background. The table columns are 'Parameter Description' and 'Value'.

The ACA AIR Error Report is displayed along with a File Download Success message and two dialog boxes allowing you to download and save the two separate XML files.

**Manifest file:****10. Submit the AIR files to the IRS.****Submit AIR file to the IRS**

After you create the AIR files and populate the [Personnel > Maintenance > ACA 1095 YTD Data > 1094-C](#) tab (if submitting at least one 1095-C form), you must electronically submit the AIR files to the IRS using the Affordable Care Act Information Return (AIR) Program. The file must be submitted in XML format.

Be sure to review the Affordable Care Act Information Returns (AIR) webpage at <https://www.irs.gov/e-file-providers/affordable-care-act-information-returns-air> for updated information about filing electronic information returns.

11. Verify EmployeePortal options.

Payroll > Tables > District EP Options > EmployeePortal Options

For EmployeePortal users, verify that the **1095 Information** and **1095 Electronic Consent** options are set up accordingly. Keep in mind that if you want to allow your employees to print the actual 1095 form from EmployeePortal, the **1095 Electronic Consent** option must be selected. If not selected, the employees can only view the form.

TIP: If your LEA wants to print copies of all 1095 forms, it is recommended to leave the **1095 Electronic Consent** option unselected, and then select the option once you are ready to allow employees to consent to obtain and print their 1095 forms electronically.
