Perform any required payroll adjustments. ❑ After the May payroll is posted, review the budget to ensure that there are adequate funds for the remainder of the year.
Payroll & Personnel	❑ Update leave on the current year service records if already created. ❑ Update next year's payroll for staffing changes. ❑ Supply next year payroll data to employees who are working on federal grants. Include salary and full benefit costs. ❑ Payoff retirees and other departing staff for early payoff if requested. ❑ For terminated employees, verify the month that the employee's health coverage will end. If the employee completes the instructional school year, the LEA is required to offer, at the same contribution, through August. If the employee is going to another LEA, it is recommended to coordinate with the new LEA.
