[Position Management > Maintenance > PMIS Position History](#) OR [Position Management > Maintenance > PMIS Supplement History](#)

This page is used to view historical position changes. Since each change made to a position management record creates a new historical record, many records may exist for an employee. Each change in position (CIP), position maintenance, and forecast moves are displayed on this page. This information is helpful if CIP calculation results are not as expected. You can review all position history or specific billet history.

This data serves as a historical record and should not be modified.

☐ Click **Retrieve**. A list of all employees who have held the position with the specified billet number is displayed. The following details are displayed.

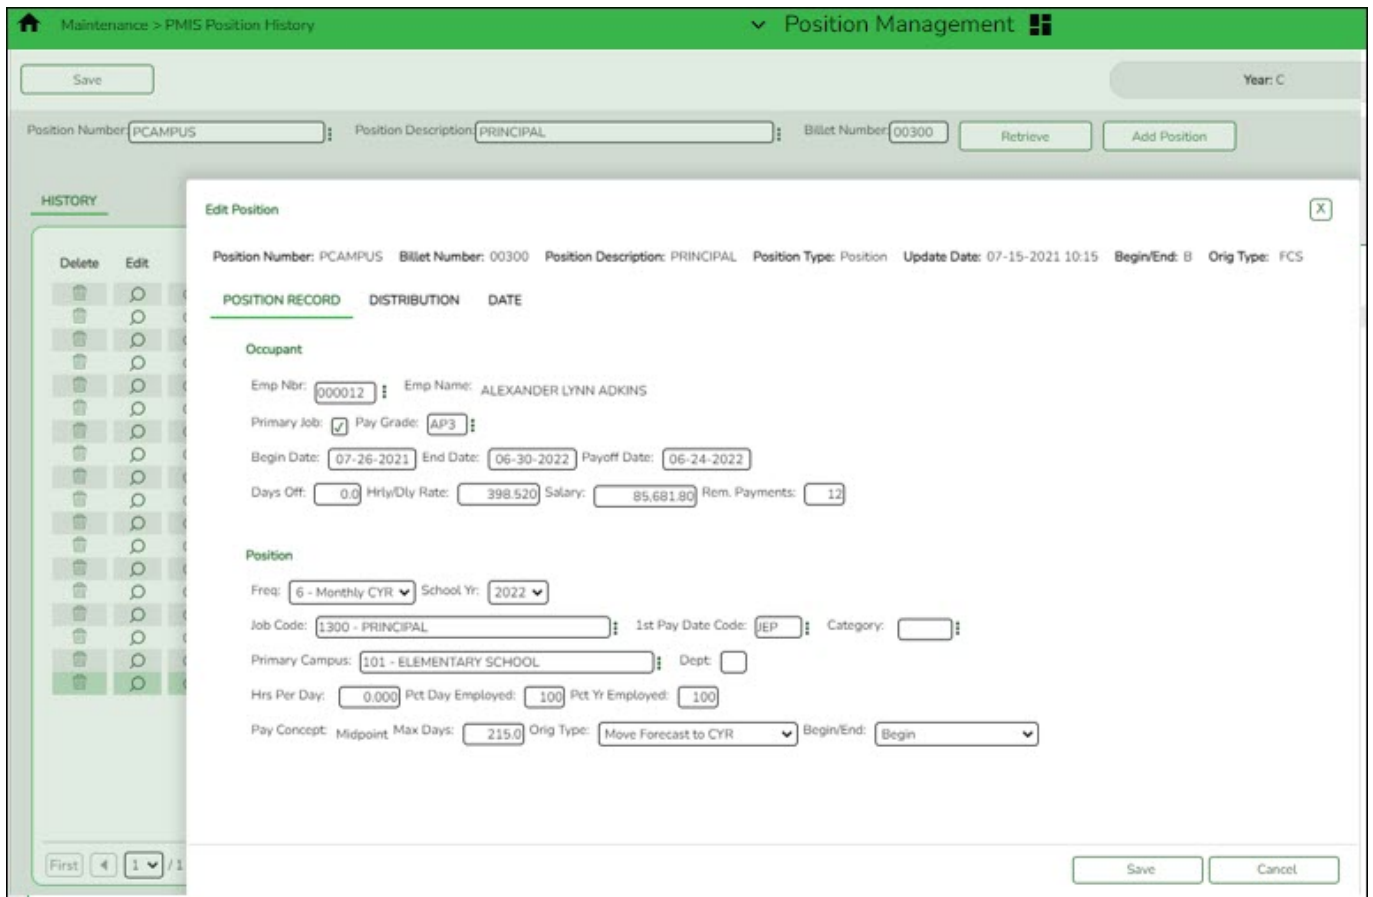

- **Billet**
- **Sch YR**
- **Update Date**
- **Description**
- **Orig Type**
- **Begin/End** - Each time current year PMIS is rolled to next year PMIS, and then rolled back to current year payroll and PMIS, a snapshot of the position is saved to this inquiry. This allows the

LEA to view what an employee/position looked like at the beginning of the school year and again at the end of the school year.

- **Freq**
- **Emp Nbr**
- **Name**

Click  to view the position details at the date and time displayed under **Update Date**. Changes to the billet description are displayed on this page. A pop-up window with three tabs (Position Record, Distribution, and Date) is displayed.

Position Record - This tab displays information similar to what is displayed on the Payroll > Maintenance > Staff Job/Pay Data > Job Info tab. The **Orig Type** indicates the process that was used to make the change.

The screenshot shows the 'Maintenance > PMIS Position History' application. A 'Position Management' pop-up window is open, displaying the 'Edit Position' form.
