Position Management Process - Sample Timeline (July)

In the July timeframe, perform the following Position Management tasks.

For complete information, review the Position Management Process guide.

❑ Process service records prior to moving forecast to current. Service records should be completed and posted prior to moving those employees who have a July contract begin date.

❑ Use the Position Management > Utilities > Move Forecast to CYR Position and Payroll to move the July group from forecast to current.

❑ Include any travel/business allowance XTRA duties.
