Copy Current to New File ID - BAM7200

Asset Management > Utilities > Copy Current to New File ID

Include the short page introduction here.

Copy the current file ID to a new file ID:

Field	Description
File ID	The file ID to which you are logged on is dipslayed.
New File ID	Type a one-digit file ID, or click ⌄ to select one. This field represents the file ID to which you can move or copy funds.

Click **Save**.

Other functions and features:

	Delete a row. Click to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved.
