# Copy Current to New File ID - BAM7200

**Asset Management > Utilities > Copy Current to New File ID**

Include the short page introduction here.

## Copy the current file ID to a new file ID:

Field	Description
<b>File ID</b>	The file ID to which you are logged on is displayed.
<b>New File ID</b>	Type a one-digit file ID, or click ▼ to select one. This field represents the file ID to which you can move or copy funds.

Click **Save**.

## Other functions and features:

	<a href="#">Delete a row.</a> Click to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved.
