# Initialize Audit Tables - BAM6200

***Asset Management > Utilities > Fiscal Year Processing > Initialize Audit Tables***

This utility is used to delete all selected historical audit files based on the file ID. After processing is completed, all existing audit tables selected are deleted.

**Note**: The initialize audit tables process modifies files, so it is recommended that you create a backup of your files before running this process.

The following receiving options selected on the Options > Purchasing Options page in District Administration determine how information is displayed as well as if certain requisition items can be received on this page.

- If **Use Blind Receiving** is selected, order quantities are not shown on this page.
- If **Allow Partial Receiving** is not selected, only complete requisition items can be received.
- If **Allow Receiving Overage** is not selected, only the original item quantity ordered or less can be received.
