Mass Change Inventory Number - BAM7300

Asset Management > Utilities > Mass Change Inventory Number

This utility is used to change the inventory item number on the master and all associated records. If the **Auto Assign** field is selected on the Asset Management Options table, you cannot enter an inventory item number in the **To Item Nbr** field. If the **Auto Assign** field is selected and you click **Execute**, then the Asset Management Options record is locked and cannot be updated until after the posting is completed or canceled.

Mass change inventory numbers:

Click **+Add** to add a row.
