# Bank Account Group Funds

## Bank Reconciliation > Tables > Bank Account Fund Groups > Bank Account Group Funds

This tab is used to create multiple group funds for each bank account:

- For each of the individual funds created, you can have multiple investment and cash object/subobject combinations.
- You can change between bank groups and edit records. Funds cannot be duplicated.

### Set up a bank account group fund:

| Field             | Description  |
