Bank Account Group Funds

Bank Reconciliation > Tables > Bank Account Fund Groups > Bank Account Group Funds

This tab is used to create multiple group funds for each bank account:

- For each of the individual funds created, you can have multiple investment and cash object/subobject combinations.
- You can change between bank groups and edit records. Funds cannot be duplicated.
- You can add the same fund, year, obj, sobj, investment type in an active group if the same fund, year, obj, sobj and investment type exists in an inactive group.
- You cannot add the same fund, year, obj, sobj, investment type in an inactive group if the same fund, year, obj, sobj and invest type exists in an active group.
