Educational Span - BUD2100

Budget > Tables > Account Codes > Educational Span

This tab is used to establish and manage the educational span code. It is the fourth character in the six-character program code and identifies the educational span code (e.g., grades 3, 5) of the current account code. It is currently a local-use field.

Set up an educational span code:

Click **+Add** to add a row.

| Field | Description |
|-------------------------------------|------------------------------------------------------------------------------------------|
| Educational Span Code | Type the one-character alphanumeric educational span code for the account. |
| Educational Span Description | Type the educational span code description. The field can be a maximum of 30 characters. |

Click **Save**.
