#### Finance > Inquiry > General Ledger Inquiry > General Ledger Account Summary

This tab is used to perform a single-line inquiry of account balances. On this tab, you may:

- Review the balances on individual accounts.
- View the balances in a summary view of the account.
- View records by page or by printing.

#### Perform a general ledger account summary inquiry:

☐ Select any of the following fields to include in the inquiry:

Field		Description
Processed		Select to include account balances as of the end of the last reporting period.
<b>Current Per</b>	riod	Select to include account balances as of the current accounting period.
<b>Next Period</b>	k	Select to include account balances as of the next accounting period.
<b>Balance Ac</b>	counts Only	Select to include only account classes 1, 2, 3, and 4.
Include Fur	nd Totals	Reports class totals by fund.
Exclude Ob	jects 61XX	Select to exclude all object codes that begin with 61.
Account Code	Type an account code in each of the account code field components.  Click to select which account codes you want included in the mask. The account code components are displayed as a mask with all Xs. Fill in the digits that are used during the selection process, and only those account codes that match the ones specified are retrieved.  For example, if you want a summary of all supply accounts for campus 001, the account mask would look like the following: XXX-XX-63XX-XX-001-XXXXXX	

☐ Click **Retrieve** to process the inquiry based on the values selected. The page displays the general ledger account summary report. Fund totals by class are reported at the end of each fund.

Review the report.

#### Other functions and features:

**Reset** Click to clear the account code and return to the default setting (all Xs).
