Fund - FIN2200

Finance > Tables > Account Codes > Fund

This tab is used to establish the fund code and fiscal year used to track all funds and transactions associated with an account number. You can delete a fund code only if there are no accounts in the chart of accounts that is using the fund/fiscal year code.

Set up a fund code:

Select a student

The following receiving options selected on the Options > Purchasing Options page in District Administration determine how information is displayed as well as if certain requisition items can be received on this page.

- If **Use Blind Receiving** is selected, order quantities are not shown on this page.
- If **Allow Partial Receiving** is not selected, only complete requisition items can be received.
- If **Allow Receiving Overage** is not selected, only the original item quantity ordered or less can be received.
