Finance > Tables > Credit Card Code > Due To Fund

This page is used to determine the new fiscal year for any new entries that are created using existing credit card transactions.

Fund/fiscal years can be deleted on the Utilities > Fiscal Year Processing > Delete Funds page even if they exist as an offset for credit card and warehouse transactions. It is important to set up this table to crosswalk the deleted fund/fiscal year in order to prevent errors from occurring after funds change fiscal years during the end-of-year process.

The following receiving options selected on the Options > Purchasing Options page in District Administration determine how information is displayed as well as if certain requisition items can be received on this page.

- If **Use Blind Receiving** is selected, order quantities are not shown on this page.
- If **Allow Partial Receiving** is not selected, only complete requisition items can be received.
- If **Allow Receiving Overage** is not selected, only the original item quantity ordered or less can be received.
