# Export by File ID - FIN7800

## Finance > Utilities > Export by File ID

This utility is used to copy the selected file IDs to a user-designated archive file.

- If exporting the current file ID (i.e., file ID C), all finance, accounts receivable, and requisition tables including vendor-related and user profile tables are exported.
- If exporting a prior file ID, only finance tables are exported. Vendor and User Profile tables are not exported.

### Copy file IDs:

Use the following buttons to include or exclude a file ID or file IDs from the export:

- Click to move selected entries from the left side to the right side of the page.
- Click to move all entries from the left side to the right side of the page.
- Click to move selected entries from the right side to the left side of the page.
- Click to move all entries from the right side to the left side of the page.
