Complete 1094-C (Authoritative Transmission) data i

Complete the necessary data on the Human Resources > Maintenance > ACA 1094 YTD Data > 1094-C (Transmittal of Employer-Provided Health Insurance Offer and Coverage Information Returns) tab. The 1094-C tab is used to report summary information for each Applicable Large Employers (ALE) member and to transmit 1095-C forms to the IRS. A Form 1094-C must be filed if an employer files one or more 1095-C forms. Additionally, the 1094-C is used to determine whether an employer owes a payment under the employer shared responsibility provisions under section 4980H.
