Districts with less than 50 full-time equivalents are required to provide form 1095-B for ALL covered employees and ONLY covered employees, not necessarily everyone who received a W-2. If the employee was not enrolled in the district's health insurance, do not complete form 1095-B for the 37 employee. Districts with 50 or more full-time equivalents are required to provide form 1095-C for ALL covered employees and for any employee that was full-time for any month of the calendar year, not necessarily everyone who received a W-2. The district is not required to provide a 1095 C to part-time employees who are not enrolled in the district's insurance plan.
