For employees who **do** accrue monthly:

- Verify the accrual code, accrual rate, daily rate, and contract begin date for each employee.
- Verify that each employee that should accrue monthly has an accrual code.
- Verify that each employee with an accrual code has an accrual rate.
- Verify that the accrual rate matches the daily rate.
- Verify if each accrual code has the correct number of days employed.
- If you have two employees with the same contract begin date and one needs to accrue and the other does not, make a note to serve as a reminder that the applicable employee should be excluded from calculations during the August Accrual process.

For employees who **do not** accrue monthly:

- Verify that their contract begin date and new daily rate are accurate for the new year.
- Verify that the employee **does not** have an accrual code or accrual rate.

Use the [Payroll > Tables > Accrual Calendars > Accrual Calendar](#) page to verify pay dates and days worked.
