<b>Clear Budget Tables - BUD7000</b> .....	<b>1</b>

Clear the simulation tables or Budget crosswalk tables.

Use the following page to complete this step:

[Budget > Utilities > Clear/Copy Budget Tables > Clear Budget Tables](#)

## Clear Budget Tables - BUD7000

***Budget > Utilities > Clear/Copy Budget Tables > Clear Budget Tables***

This utility is used to clear all budget data from the simulation and crosswalk tables that were used during the budget process.

### Clear budget tables:

Select from the following:

<b>Clear Simulation Tables</b>	Select to remove all data from the simulation tables unless there are generic tables that are used every year.
<b>Clear Budget Crosswalk Table</b>	Select to remove all data from the crosswalk tables.

Click **Execute**. A message is displayed indicating that the tables were cleared.

- Select **Clear Simulation Tables** to remove all data from the simulation tables.
- Select **Clear Budget Crosswalk Table** to remove all data from the crosswalk tables.
- Click **Execute**. The following message is displayed indicating that the tables were cleared.
