# (Optional) Clear Budget tables

[Budget > Utilities > Clear/Copy Budget Tables > Clear Budget Tables](#)

Clear the simulation tables or Budget crosswalk tables.

## Clear budget tables:

Select from the following:

<b>Clear Simulation Tables</b>	Select to remove all data from the simulation tables unless there are generic tables that are used every year.
<b>Clear Budget Crosswalk Table</b>	Select to remove all data from the crosswalk tables.

Click **Execute**. A message is displayed indicating that the tables were cleared.
