Create a simulation i

Use any of the following tabs to create a budget simulation.

[Budget > Utilities > Mass Increase/Decrease Account Codes > Requested](#)

Example: If your user profile only allows access to 62XX accounts and you include, as part of the criteria, to update all 6XXX accounts, only those accounts that meet the 62XX criteria are reflected in the preview report when the simulation is executed. No 61XX, 63XX, 64XX, etc. are included in the calculations.
