Session Timers

On each application page, under the menu bar, a session timer is displayed. As each page is displayed, the timer resets.

A screenshot of a session timer display. The text "Session Timer: 188 min and 43 sec" is shown in white on a dark background. The text is enclosed in a thin, multi-colored border (yellow, green, blue, red).

Review the [Session Timers](#) Help page in District Administration for more information about session timers.
