Session Timers i

Session Timers

On each application page, under the menu bar, a session timer is displayed. As each page is displayed, the timer resets.

A screenshot of a session timer displayed in a dark rectangular box. The text inside the box reads "Session Timer: 188 min and 43 sec".

Session Timer: 188 min and 43 sec

Review the [Session Timers](#) Help page in District Administration for more information about session timers.
