Software Version i

After logging on to the TxEIS System, there are several basic navigation terms and functions for the web applications.

TxEIS Software Version

The current software version and build number is displayed on the Application Directory page and each application page.

A screenshot of a dark gray rectangular box containing white text. The text is arranged in two lines. The first line reads "Version: 6 Build: 0405.5". The second line reads "Host: XXX.XXX.XXX.5 Browser: GC 97.0".

Version: 6 Build: 0405.5
Host: XXX.XXX.XXX.5 Browser: GC 97.0
