## Software Version

The following information is displayed at the bottom left side of the page in the main menu.

| Field                  | Description                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| <b>Version</b>         | Displays the ASCENDER software version.                                                                                                 |
| <b>Build</b>           | Displays the ASCENDER software build number.                                                                                            |
| <b>Host</b>            | Displays the software server host information.                                                                                          |
| <b>Browser</b>         | Displays the browser and version details (e.g., Google Chrome Version 65.0).                                                            |
| <b>County/District</b> | Displays the county district number to which you are logged on. To change this number, log out and log back in with a different number. |
