Click  to select the operation to be used for the category description. If the **Statement Type** field is set to *Total*, the **Operator** field must be set to = *Equals*.

You can select to use a single or double column layout on the [Layout](#) tab.

If *Double Column* is selected, only one bank side category and one system side category can be set to = *Equals*.

If *Single Column* is selected, only one category (field) can be set to = *Equals*.
