category_information

Table of Contents

iv

The fields in this section are display only with the exception of the **Category Code**, but can be edited on the Tables > Vendor Categories page.

Category Code

* The Category Description field displays the selected category code description.

● The Bid Category field is display only, and if selected, identifies the category code as an active bid category.

● The Begin Date displays the beginning effective date for the bid.

● The End Date displays the ending effective date for the bid.
